

You never know who will need help next.

The REALTOR® Association of Greater Fort Lauderdale Charitable Foundation was started in 1987 for the purpose of helping those who have specific needs which cannot be met by any other source. **That's 27 years of giving!**

Charitable Foundation Profile: Since its inception, the Foundation has helped many Association members and the community. Most recently, assistance was given to a family in need of vehicle repairs, replaced an outgrown wheelchair, purchased hearing aids for an ill child, helped a family after a fire, a victim of domestic abuse with child care costs, a veteran receive his medications. Large or small challenges—we're here for you, our members and the community.

Anyone aware of a specific need in the community is requested to contact the Charitable Foundation. The Foundation needs your contributions to continue helping those with special needs. Every contribution you make is significant. The Charitable Foundation is a tax exempt organization under Section 501(c) (3) of the Internal Revenue Code and Regulations. Thank you for contributing and giving back to our communities!

OUR MISSION:

Solicit and accept contributions to assist REALTORS® and members of the public who have specific and urgent needs which cannot be met by any other source; and used as a conduit to process tax deductible charitable contributions for specific needs.

BROWARD PARTNERSHIP CHILDREN'S PLAYGROUND FUNDRAISER THANK YOU

Thank you to the members of the Greater Fort Lauderdale REALTORS® and the friends of the Charitable Foundation for your continued support of the Charitable Foundation through your generous dues donations and attendance at special events. The fundraising project for 2014 was to replace the playgrounds at the Broward Partnership for the Homeless in Fort Lauderdale. Children need a place to play while their parent(s) are interviewing and getting their lives back together. Homelessness is not the business of children. You helped us put a smile on their faces by your attendance at the November fundraiser auction and your generous donations. Thanks to you, the playground is completed and the bench placement is in the final stages. The RAGFL Charitable Foundation is a 501(c) (3) tax-exempt organization.
